R1,477

Verbatim's professional optical media feature tighter specifications than the standards given by the relevant standardisation bodies.

Tighter specifications ensure better compatibility with writers and recorders. This results in higher recording quality, thus ensuring longer archival lifetime and better readability.

You can recognise Verbatim's professional optical media by the DataLifePlus branding.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
