Real music. Real spin. Mini size. The ZURU Mini Brands Really Works Vinyl Playset Series 1 is a miniature record player that actually plays. Set the included Mini Vinyl of "APT." by Rosé & Bruno Mars — your collection's first record — on the deck, drop the needle, and hear real music from a turntable that fits in the palm of your hand. Pair it with the Mini Brands Really Works Vinyl Capsule (sold separately) to spin records from chart-topping artists like Katy Perry, Kendrick Lamar, Fall Out Boy, Chappell Roan and 20+ more. The included Mini Vinyl Display Stand turns it into the centerpiece of your collection — your own mini record store on your desk, shelf, or studio setup. Designed for music fans, kidults and collectors aged 3+, this is the playset that brings your Mini Brands music world to life — and actually makes a sound when it does.
