XSHOT Hyper Gel Trace Fire Blaster (10,000 Hyper Gel Pellets) ZURU

It's time to get hyped up with XSHOT Hyper Gel! The XSHOT Hyper Gel Trace Fire can blast Hyper Gel Pellets at 170 feet per second with its motorized fully and semi automatic modes. The Trace Fire has a 600 Pellet capacity hopper, when you run out of Gel Pellets simply flip your blaster to reload from the 850 Pellet capacity mag. This motorized Gel Blaster comes with a rechargeable battery. Stocked with 10,000 Hyper Gel Pellets and protective eyewear, just add water to start the ultimate Gel Blaster battle!
