Verbatim Sync & Charge Cable USB-C to Lightning 120 cm

Model: 31844

Manufacturer: VERBATIM

EAN: 023942318446

Product Code: 1662432

R915

Fast Charging for Apple Devices

The Verbatim Sync & Charge USB-C® to Lightning Cable offers rapid charging and efficient data transfer for your Apple devices. Made for iPhone and iPad, this cable supports Power Delivery (PD) charging up to 60W, ensuring fast power-ups. It also features a data transfer rate of up to 480Mbps, allowing for quick synchronisation of files, photos, and more between your Apple devices and USB-C® enabled devices.

Built for Reliability

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Engineered for the rigours of daily use, this cable is equipped with a braided nylon exterior and toughened aramid fibre core, offering superior strength and resistance to wear and tear. Tested to endure over 50,000 bends, it maintains peak performance even under constant flexing. Furthermore, its reinforced metal alloy connectors enhance durability, ensuring reliable, long-lasting performance.

Seamless Charge & Sync

Supporting PD charging up to 60W, this cable rapidly charges iPhones, iPads, and other Lightning-enabled devices. It also delivers data transfer speeds of up to 480Mbps, ensuring quick and efficient file transfers between your devices. Perfect for syncing media, documents, and more without delays.
