

Fujitsu PR09 Wired USB 3.2 Gen 1 (3.1 Gen 1) Type-C Black

Model: S26391-F6007-L500

Manufacturer: FUJITSU

EAN: 4057185642316

Product Code: 1662758

R2,117

The new FUJITSU USB Port Replicator PR09 is the perfect solution for shared desk environments within a hyperconnected world. It connects your mobile system to your main peripherals with a single USB plug. This Port Replicator is equipped with the most powerful DisplayLink chipset supporting high performance video streaming with Dualhead-DisplayPort.

Highest data throughput is guaranteed due to an USB Type-C based Gen2 Hub-Controller enabling up to 10Gbit/s data streaming. The newest version of USB Power Delivery chipset (PD3.0) provides powerful charging during your workday.
