Model: MPUIQ-VMCDP

Manufacturer: VERTIV

EAN: 636430072586

Product Code: 1663032

R4,920

The Vertiv Avocent MergePoint IQ Server Interface Module is designed for use with KVM over IP switches. This cable connects to the Autoview and MergePoint Unity KVM Switches using standard CAT5 cable and provides a DisplayPort video and USB 2.0 interface for connecting to the server. The cable allows the administrator to use virtual media for remote ISO loads and troubleshooting as well as having smartcard/CAC authentication support. One cable is required for each server connected to the KVM Switch.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
