Roskilde is a slim MagSafe leather case perfect for those looking for a timeless yet modern case with optimal protection abilities. The case is made from durable full-grain leather as well as recycled materials so you can protect your phone and our planet in style. As full-grain leather develops a beautiful patina over time you have a stunning case for years to come.

- Handcrafted from full-grain leather.
- Cradle made from GRS-certified recycled and recyclable materials.
- Built-in MagSafe magnet
- Microfiber lining provides additional protection against scratches and drops.
- 1.2/4ft impact protection.
- Soft to the touch and develops a natural patina over time.
