MOVA Flip 10 Hair Dryer

The MOVA Flip 10 is a compact hair styling tool that lets you not only dry your hair but also straighten and curl it—all in one foldable design. Thanks to its thoughtful design with three angle settings, you can take it with you when you travel. The set also includes a storage case for the hair dryer and two attachments: one for curling and one for straightening your hair.

Perfect for Travel

The Flip 10 weighs less than 320 g, making it significantly lighter than most traditional hair dryers. Thanks to its compact size—comparable to that of a smartphone—it easily fits in any suitcase or bag. It's the perfect solution for frequent travelers who need reliable equipment for quick styling in any situation.

High Performance and Instant Drying

The MOVA Flip 10 uses a brushless motor spinning at up to 110,000 revolutions per minute, which, combined with an improved air channel design, generates an airflow of 55 m³/h and a speed of up to 65 m/s. As a result, the hair dryer works in a flash—it dries short hair in 40 seconds, medium-length hair in 2 minutes, and long hair in just 4 minutes.

Various operating modes to choose from

The Flip 10 offers as many as 8 combinations of airflow settings, including 4 temperature modes: Cool Air Mode, Scalp Mode, Quick Drying Mode, Kid’s Mode, and 2 airflow speeds. Thanks to the intuitive LED-backlit button, you can easily switch between settings and choose the perfect mode for your hair type.

Full Temperature Control

The hair dryer is equipped with intelligent NTC temperature control, which maintains a stable 55°C, and ionization technology that generates up to 300 million ions/cm³. The result? Your hair is less frizzy, smoother, shinier, and looks healthier after every use.

Included

- hair dryer
- conical curling nozzle
- smoothing nozzle
- storage case
- user manual
