Emptying Station for the MOVA G70 Upright Vacuum Cleaner

The automatic emptying station for the MOVA G70 upright vacuum cleaner not only charges the unit and automatically removes the collected dust, but also ensures convenient and hygienic storage of the entire set. The antibacterial, mold-resistant bag tightly seals in debris, while the dual cleaning rings ensure the container remains perfectly clean. The entire system is designed to save time, simplify operation, and minimize contact with dirt to an absolute minimum.
