

LogiLink SC0123 gas detector Carbon dioxide (CO2)

Model: SC0123

Manufacturer: LOGILINK

EAN: 4052792074840

Product Code: 1664280

R1,149

Invisible danger, visible protection. Carbon monoxide is a treacherous gas - odorless, colorless and deadly. A carbon monoxide detector is your invisible guardian. It reliably warns you of increased CO levels that can be caused by faulty heaters, ovens or other appliances. Protect yourself and your family - install a LogiLink carbon monoxide detector now!
