Wall Charger does the job for Android devices as well as devices that run different operating systems. For this Wall Charger, the size of your devices isn't a problem; from earbuds to laptops, take advantage of an ideal charging time for your devices at speeds they can manage to handle.

Enjoy the flexibility of the USB Type-C

Enjoy the flexibility enabled by USB-C compatible cables. You can alternate the types of cables to charge a variety of mobile devices that you own. Just plug in a cable – there's no need to change the adapter plugged into your wall outlet.
