Description

Aquarius is a combination system that naturally humidifies the air and filters out pollutants at the same time.

Special humidifier discs rotate in the water, washing away impurities. This allows you to breathe in air that is as fresh as after a thunderstorm. The extremely quiet air washer with a modern design is very user-friendly thanks to its touchscreen, automatic shut-off when water is low, and maintenance-friendly cleaning mode. AQUARIUS also has an integrated hygrostat, an aroma box, and four operating modes with night mode. The device only requires the STYLIES Clean Cube to minimize the growth of bacteria and germs. No other accessories are necessary, making it a highly efficient and cost-effective system for years to come. AQUARIUS is particularly suitable for allergy sufferers, as it provides relief especially during the pollen season. In short, it is the perfect all-round helper for clean
