Capture the perfect shot while not being limited to power outlet and Wi-Fi, ideals for places like farms, campsites, construction sites and vacation homes. Combine the camera and solar panel into one sleek unit for a neater appearance or connect via a 4-meter cable to maximize sun exposure.

Solar Charging, Wire-Free, Maintenance-Free

45 Minutes of Direct Sunlight

powers the Tapo C615G camera for a full day, eliminating battery concerns and staying green.

120-Day Battery Life

lasts long on a single charge, guaranteeing continuous performance even without sunlight.

See in 2K Clarity, Day and Night

The camera offers enhanced video quality with 2K resolution. Enjoy colorful images in low-light conditions at night with built-in spotlights.

360° All-Round Protection

Enhance your security with 360° horizontal & 134° vertical viewing range. Set the camera to scan scheduled 360° rotations and capture panoramic videos, or have it patrol key points at set times and record only when motion is detected.

Free AI Detections and Tracking

Smart AI identifies and tracks people, pets, and vehicles, reducing irrelevant notification and sending alerts only when necessary.

Sound and Light Alarm

Deter unwelcomed intruders with customizable audio and tailor the intensity of the dual spotlights for fine-tuned illumination.

Designed to Resist Harsh Weather
