

LevelOne Print Server, 2 x USB, 1 x Parallel

Model: FPS-1033

Manufacturer: LEVEL ONE

EAN: 4015867142240

Product Code: 1665245

R4,160

Product Overview

The LevelOne FPS-1033 print server is an ideal network printing solution for small offices, home offices, schools and other businesses that require printer sharing over the same network. The FPS-1033 is a multi-port Fast Ethernet Print Server and provides network printer sharing for both USB and Parallel printers.

Multi Printer Support

The FPS-1033 Multi Port print server provides simultaneous connectivity to two USB and one Parallel printers. It supports the USB 2.0 standard for high-speed printing.

Multi OS and Network Printing Protocol Support

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
