Equip Cat5e F/UTP NetworkKable, 10m

Model: 235416

Manufacturer: EQUIP

EAN: 4015867159002

Product Code: 1665929

R779

The equip® Cat.5e F/UTP Networking Cable is composed of high-quality materials and meets EIA/TIA 568-B.2 channel standard, delivering ultrahigh and error-free performance in the most demanding network environments.

- Strain relief prevents the cable from being bent at sharp angles and to minimize the stress at the plug termination point
- Cable length printed on plug
- Foil-shielded to reduce EMI interference
- Gold-plated contacts for maximum conductivity
- Copper (CU) wire, oxygen-free
- High performance and easy installation
- ISO/IEC 11801, EN50288 and TIA/EIA 568-B.2
