

Equip Cat.6A S/FTP Installation Cable, LSZH, Solid Copper, 100m

Model: 401491

Manufacturer: EQUIP

EAN: 4015867165256

Product Code: 1665957

R3,577

The equip® Installation Cable is made of preeminent materials and thoroughly examined to meet or surpass industrial standards defined by the EIA / TIA, ISO and EN standard bodies. The performance is guaranteed via a comprehensive test including attenuation, return loss, NEXT (Next End Crosstalk) and FEXT (Far End Crosstalk) up to 600 MHz and hence the equip® Installation Cable serves well in the most demanding networking environments.
