Digital inputs with HDCP support encrypted data content.

- Adjustable user comfort: enable comfortable viewing with adjustable swivel, tilt, and pivot settings. The low-point height-adjustment setting lets you position the monitor's lower bezel flush with the desk.

- Smart software: help protect against image retention and reduce energy costs with HP Display LiteSaver, which allows prescheduled Sleep mode. Adjust monitor settings and enable theft deterrence through the connected PC with HP Display Assistant.

- Easy set up and use: customize the display settings with a wide range of icon-based on-screen display (OSD) controls. Disable the green power LED to minimize distractions, and the on/off button to prevent users from turning off the monitor.

- Designed with the environment in mind: this monitor meets stringent worldwide environmental regulatory standards, is ENERGY STAR® qualified, and received a Silver rating from the Electronic Products Environmental Assessment Tool (EPEAT™).
