Lindy 45583 networking cable Grey 2 m Cat6 S/FTP (S-STP)

Model: 45583

Manufacturer: LINDY

EAN: 4002888455831

Product Code: 1667631

R866

Cat.6 S/FTP network cable with support for bandwidth up to 250MHz and features a snagless design with gold plated contacts for ethernet standards up to 1GBase-T.
Cat.6 cable for operating frequencies up to 250MHz in shielded version with braid as overall shield and foil shield for the individual wire pairs (S/FTP). Cat.6 cables are widespread throughout the professional sector. They are ideal for Gigabit Ethernet or AV extension applications.
These cables are manufactured and tested according to the ISO/IEC 11801 specification. The cables are packaged individually in a polybag. The 100% Component test slip included in each polybag ensures flawless compatibility between devices, each component of the cable is individually tested helping to eliminate problems such as insertion loss, return loss and crosstalk.
The gold-plated contacts ensure reliable, corrosion-free connections over extensive periods of time. A robust snagless strain relief design prevents damage to the connector latch during installation and removal.
