

Equip 19" Rack Mount Cable Management Panel, Black

Model: 327314

Manufacturer: EQUIP

EAN: 4015867233962

Product Code: 1667744

R824

The equip® 19" Rack Mount Cable Management Panel is an essential accessory for organizing and tidying up cable installations in server racks and network cabinets.

Designed to fit into standard 19-inch racks, this panel provides a neat and structured solution for routing and securing cables, reducing clutter, and preventing cable tangling. It typically features multiple cable slots, loops, or hooks that allow for efficient cable organization, making maintenance and troubleshooting easier.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
