The Photo Cube is a great way to keep your photos safe. Small enough to store around your home, it is a perfect way to store your most precious photos or give to friends and family as a gift. The red box measures 14 x 14 x 14cm (approximate), allowing for plenty of space to store printed images. Square photo printing is popular among young people and families, as the social media friendly format allows for more creative printing. This pack is perfect for social media printing, coming with Genuine Canon PG-560 Black Ink Cartridges, CL-561 C/M/Y Colour Ink Cartridges and 40 5x5" sheets of square Photo Paper Plus Glossy II, allowing you to get more creative with your printing.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
