

TZE-FX211

Brother Laminated tape

Model: TZEFX211

Manufacturer: BROTHER

EAN: 4977766692960

Product Code: 1669638

R1,012

Black text on white flexible ID tape 6mm wide 8 metres long Special adhesive for cable wrap/flagging applications Primarily used for the identification of cables and fibre, this 6mm black on white Brother flexible-ID label tape cassette has been developed with a special adhesive that allows the label to be either wrapped repeatedly around a cable, or can be stuck to itself in the style of a flag. It is also suitable for other applications where there are tightly curved surfaces such as pipes and conduits. Use the various features of your P-touch labelling machine to print durable labels on demand, quickly and efficiently. TZe tape cassettes are quick and easy to install, and come in various label widths, colours and materials - ensuring your P-touch machine can be used for all labelling needs. Brother P-touch laminated labels have been developed to last, even under extreme conditions, and are able to withstand extremes of temperature, sunlight, water, chemicals and abrasion.
