

Zebra Z-Select 2000D White Self-adhesive printer label

Model: 800264-605

Manufacturer: ZEBRA

EAN: 5711045055737

Product Code: 1669817

R6,418

Zebra's direct thermal labels are available in paper or synthetic formats. Paper offers an inexpensive way to print in a variety of general-purpose applications, while synthetic offers more durable, long-lasting results with resistance to abrasion, moisture, and chemicals.

Direct thermal technology does not require a ribbon. Instead, a chemically coated heat-sensitive material produces images as heat is applied to the surface. Ideal for indoor applications where temperatures will not exceed high levels.

Premium cold temperature performance and adhesion to a variety of surfaces. All-temperature, permanent adhesive. Premium, smooth, bright white. Thermally-sensitive top-coating increases the battery life of Zebra mobile printers, ensuring maximum printhead life.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
