Product Code: 1670058

R1,712

- 2100 per roll
- 4 rolls per box

Thermal transfer - utilises a ribbon and matching label material to transfer an image onto the label material. For the best solution with long life requirements or harsh environments, use with a Zebra ribbon

- Indoor or outdoor usage
- Medium to long-term lifespan
- Specialist applications requiring specific print features, chemical resistance or heat resistance
- High-quality durable images and bar codes

Zebra's thermal transfer labels are available in paper or synthetic formats. Paper labels are inexpensive, yet offer excellent print quality and can be used in a multitude of general-purpose applications. Synthetic thermal transfer labels are durable, long lasting, and resistant to abrasion, moisture, heat, tearing and chemicals.
