Zebra's ZD510-HC allows you to print patient information and barcodes directly on Z-Band direct thermal wristbands. The wristband is the cornerstone of patient safety. If a wristband fades and fails to scan, patient care and safety and workflows are compromised. Zebra's Supplies Research and Development developed Z-Band to be one of the most durable direct thermal wristbands in the market. With over 3 billion patients identified since 1998, you can rely on Zebra.
