

ICY BOX IB-MPS2220B-CH

power extension

1.9 m 2 AC

outlet(s) Indoor

Black

Model: IB-MPS2220B-CH

Manufacturer: ICY BOX

EAN: 4250078172727

Product Code: 1670262

R1,104

Turn 1 into 5

Multiply your possibilities. With just one free household socket, you have the option of using two additional EU 230 V sockets and you gain three additional USB charging ports, for example to charge your tablet, smartphone or smartwatch simultaneously with 12 or 15 watts.

Anchor point

Two elongated holes on the underside of the housing provide the option of mounting the socket anywhere you like, be it on the wall or on your desk. The 1.90 m long cable offers enough flexibility to fix the socket wherever it suits your needs.

Power at the touch of a button

With the on/off switch, the entire power strip can be switched on or off. When not in use, you simply turn off the power strip and save energy and money, while doing something good for the environment. The overcurrent protection integrated in the switch also ensures safety.
