

Equip Cat.6A Shielded Keystone Jack Toolfree

Model: 767221

Manufacturer: EQUIP

EAN: 4015867176528

Product Code: 1670631

R1,940

The equip® Keystone Jack is the essential component for a reliable cabling system. Composed of preeminent materials, the keystone jacks are thoroughly examined to meet or surpass the industrial standards. Fitting to the faceplates, wall-mount outlets, and patch panels, the keystone jacks offer a flexible connection for the Cat.6A cabling installation.
