

Equip Cat.6 Shielded Keystone Jack Toolfree

Model: 767211

Manufacturer: EQUIP

EAN: 4015867176511

Product Code: 1670635

R1,679

The equip® Keystone Jack is the essential component for a reliable cabling system. Composed of preeminent materials, the keystone jacks are thoroughly examined to meet or surpass the industrial standards. Fitting to the faceplates, wall-mount outlets, and patch panels, the keystone jacks offer a flexible connection for the Cat.6 cabling installation.
