

Equip Cat.6 Unshielded Keystone Jack LSA, Slim Type

Model: 769212

Manufacturer: EQUIP

EAN: 4015867176559

Product Code: 1670636

R1,098

The equip® Keystone Jack is the essential component for a reliable cabling system. Composed of preeminent materials, the keystone jacks are thoroughly examined to meet or surpass the industrial standards. Fitting to the faceplates, wall-mount outlets, and patch panels, the keystone jacks offer a flexible connection for the Cat.6 cabling installation.
