The Sixpack

With these six protective boxes, color finally comes into play for the unexciting, endless backups. The colors white, gray, blue, green, red and orange visually support the organization of the hard drives.

All-round protection

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

Protect your data during storage or transport from dust, shock, and splash water damage. Simple protection with great effect!

Stackable

The boxes themselves are stackable and thus save space. In addition, a label offers the possibility of individually marking the protective boxes as required.
