## **Deliver high-performance 10 Gigabit Ethernet connections with PoE support**

Get high-speed, interference-free connectivity with this Cat6A Snagless Patch Cable, built to support reliable 10Gb network performance in demanding IT environments. Shielded construction helps protect against EMI and noise, while snagless connectors and molded strain relief reduce the risk of damage during installation and daily use. Available in multiple lengths and colors for easy cable management, it delivers consistent signal integrity with 100% copper conductors, gold-plated connectors, and ETL-verified performance up to 500MHz.
