Equip Cat.6A Unshielded Keystone Jack Toolfree, 8pcs/Set

Model: 769227

Manufacturer: EQUIP

EAN: 4015867240922

Product Code: 1671786

R1,008

The Cat.6A Unshielded Keystone Jack is a high-quality, tool-free connector designed for easy and efficient installation in networking systems. Ideal for 10 Gigabit Ethernet applications, this jack supports high-speed data transmission while ensuring reliable performance in both commercial and residential settings. The tool-free design allows for quick and simple termination, making it an excellent choice for installers seeking to save time and effort. With its unshielded construction, it provides flexibility in low-interference environments, and is compatible with standard keystone wall plates and patch panels, offering a seamless connection solution for modern networking needs.
