HP Super Heavyweight Plus Matte Paper is a best-in-class graphics display media that delivers superior image quality and ripple-free printing. It maximises productivity with application versatility, instant dry time and great laminate compatibility.

When the job requires professional full-colour graphics and photo-realistic images this heavy, matte-finish paper - with a barrier layer under a thick top coating that enables ripple-free prints - delivers excellent highlights and rich details.

Move quickly and smoothly through post-print processing. Instant-dry, smear-resistant prints - even with high ink densities - enable immediate handling and lamination. Excellent film laminate compatibility helps you keep peak productivity.
