LogiLink FP0EE02 InfiniBand/fibre optic cable 2 m E-2000 (LSH) Yellow

Model: FP0EE02

Manufacturer: LOGILINK

EAN: 4052792047301

Product Code: 1673779

R780

LogiLink’s high-grade fiber optic optic patch cables are used for non-permanent connections between patch panels, transmission equipment, etc., allowing complete "plug and play" solutions. Our extensive range of fiber patch cords is terminated with state-of-the-art connectors such as ST, SC and LC types to meet your standard or custom configurations. Each fiber patch cord has been geometrically inspected with interferometers and tested with automated insertion loss and reflection test equipment to ensure exceptional performance. LogiLink’s fiber patch cords meet or exceed all industry standards for back reflection and insertion loss.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
