LogiLink PA0341 solar panel 30 W

Model: PA0341

Manufacturer: LOGILINK

EAN: 4052792074901

Product Code: 1673812

R1,632

Product information "Foldable solar panel USB charger, 1x USB-A, 1x USB-C, 1x DC5521, 15W, IP65, black" from LogiLink

This foldable solar panel made of monocrystalline silicon is the ideal companion for travelling. With its two fold-out solar modules and high conversion efficiency of up to 21 %, it provides reliable power for your devices. The maximum output of 30 W and the USB-A, USB-C and DC5521 outputs allow you to charge smartphones, tablets and other USB devices. Thanks to the IP65 waterproof design, the panel is also ready for use in adverse weather conditions. With its compact dimensions and low weight, the solar panel is easy to transport and store.
