ZD510-HC Z-Band Wristbands

Zebra's ZD510-HC allows you to print patient information and barcodes directly on Z-Band direct thermal wristbands. The wristband is the cornerstone of patient safety. If a wristband fades and fails to scan, patient care and safety and workflows are compromised. Zebra's Supplies Research and Development developed Z-Band to be one of the most durable direct thermal wristbands in the market. With over 3 billion patients identified since 1998, you can rely on Zebra.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
