Intellinet Gigabit Ethernet to SFP Media Converter, 10/100/1000Base-Tx to SFP slot, empty

Model: 510493

Manufacturer: INTELLINET

EAN: 766623510493

Product Code: 1675286

R3,066

The Intellinet Network Solutions Gigabit Ethernet to SFP Media Converter is completely transparent to the network so the network performs exactly the way it did before - only now it can support both copper and fibre mediums.

Expands the Size of an Existing Network

Provides fibre connectivity to Ethernet segments, allowing for even further networking expansion between extended workgroups. Also provides building-to-building connectivity without the need for

the cost and disruption associated with the installation of additional routers.

Enhances the Distance between Networking Devices

Connecting the converter to fibre segments can further extend distances between networking nodes. This can be achieved by direct connection between the converter and a fibre-based node or networking device.

Cabling Flexibility

Network managers can install fibre cabling anywhere within a network without changing the arrangement of copper-based Ethernet. The compact size of the converter allows it to be easily deployed in any narrow desktop location or to be used in a wall-mount installation. Several converters can be simultaneously installed into a 19"; rack-mountable chassis.
