ACT Powercord CEE 7/7 male (angled) - C15 IEC Lock+ black 2 m, EL604S

Model: PL0092

Manufacturer: ACT

EAN: 8716065566000

Product Code: 1675707

R1,030

The ACT IEC Lock power cable offers an angled CEE7/7 connector on one side and a C15 IEC Lock+ locking mechanism on the other side. The C15 connector is high temperature resistant up to 120°.

The locking mechanism is universal. The equipment doesn’t need to have its own locking mechanism and no tools are required.

The IEC Lock prevents accidental disconnection/release of the cable from both the equipment and the PDU. This minimizes the risk of damage and downtime.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
