

ACT Desk power strip with 3 type F sockets, 30W Power Delivery, USB Type-C/A ports, cable length 1.5 meters

Model: AC2480

Manufacturer: ACT

EAN: 8716065587647

Product Code: 1676187

R1,320

The AC2480 Desk Power Strip allows you to connect three electrical devices and three USB devices at the same time. The USB ports (1x USB Type-C® / 2x USB-A) offer a total capacity of 32W and are protected against overvoltage and short circuit, while the three power outlets include child safety features. You can place the power strip on your desk. Use the enclosed optional clamp mount to secure the power strip to your desk. The cable length is 1.5 meters.

Three power outlets and three USB ports for fast charging

The AC2480 desk power strip has three power outlets for connecting electrical devices. The three USB ports (2x USB-A and 1x USB Type-C) are suitable for charging smartphones and tablets with a maximum total load of 32W. The USB-C port supports Power Delivery 3.0 for fast and efficient charging.

USB output

The AC2480 supports fast charging up to 32W, including Power Delivery 3.0. See the different charging speeds below:

Single Port use USB Type-C:

USB Type-C Port: 30W

Single Port Use USB-A:

USB-A Port: 12W

Dual Port Use:

USB-A ports only:

Top USB-A Port + Lower USB-A Port: 12W

USB-A + USB Type-C Port:

USB-A Port: 12W

USB Type-C Port: 20W

Triple Port Use:

Top USB-A Port + Lower USB-A Port: 12W

USB-C Port: 20W

Clamp design

The AC2480 is designed to occupy minimal desk space, with all power outlets and USB ports easily accessible. The included clamp mount ensures the power socket stays securely in place. The power strip also can be used without the clamp by placing it directly on the desk. The non-slip pads protect your desk and provide anti-slip protection.
