

**ACT Industrial
5.00 meters
Sensor cable
M8A 4-pin
female to open
end, Ultraflex
Xtreme TPE
cable, shielded**

Model: SC3112

Manufacturer: ACT

EAN: 8716065524277

Product Code: 1676368

R1,369

The ACT Industrial sensor cables (actor cables) are provided with a TPE (Thermo Plastic Elastomer) sheath and are therefore highly resistant to mechanical loads such as movements in a chain. The connectors are overmoulded TPE and degree of protection is IP67.

Ultraflex Xtreme cable, each individual core consists of 52 strands of copper that together form a diameter of AWG23. This makes the cable more flexible than, for example, a standard AWG24/7 patch cable.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Stranded conductors are build up of uninsulated thin strands of wire twisted together.

How greater the number of strands in a stranded conductor, the greater the flexibility of the wire.
