ACT Extension lead PDU 19" C14 IEC60320 with 8 type F sockets, 3m H05VV-F 3G1.0

Model: PD3004

Manufacturer: ACT

EAN: 8716065572780

Product Code: 1676532

R1,423

The PD3004 19” power extension lead PDU adds eight grounded type F sockets to your power management system. The power extension lead is designed to fit into a 1U 19” rack and includes a 3m H05VV-F 3G1.0 cable with C14 connector. The PD3004 is equipped with overload protection and a reset button. The red sockets provide better identification when used with a UPS. The mounting brackets can be placed in various positions. All mounting material is included: cage nuts, screws and plastic washers.

8x 45° angled red sockets

The PD3004 has 8 grounded type F sockets. Each socket is angled 45° and has child protection. The red color of the outlets provides better identification for critical equipment used with a UPS.

Fits 1U 19 inch server racks

Use the extension lead PDU in network cabinets or server racks. The PD3004 fits in a 1U 19 inch server rack.

Thermal overload protection

The PD3004 is equipped with a 2500W / 10A thermal overload protection and a reset button.

Multi-angled mounting brackets

The mounting brackets can be placed at various angles for optimal installation of the extension lead power strip. All mounting material is included: cage nuts, bolts and plastic washers.
