

ACT Powercord UK male - C15 IEC Lock+ black 2 m, PC3884

Model: PL0082

Manufacturer: ACT

EAN: 8716065565980

Product Code: 1676546

R1,086

The ACT IEC Lock power cable offers a UK connector on one side and a C15 IEC Lock+ locking mechanism on the other side. The C15 connector is high temperature resistant up to 120°.

The locking mechanism is universal. The equipment doesn't need to have its own locking mechanism and no tools are required.

The IEC Lock prevents accidental disconnection/release of the cable from both the equipment and the PDU. This minimizes the risk of damage and downtime.
