ACT HDMI over IP Receiver unit for AC7852

Model: AC7853

Manufacturer: ACT

EAN: 8716065567496

Product Code: 1676591

R2,061

The AC7853 HDMI receiver can be used as an additional receiver unit in a point-to-multipoint setup with the AC7852 HDMI over IP Extender Set. Connect up to 253 receivers to the AC7852 via a network switch. In a point-to-multipoint setup, the switch needs to support Layer 3, Internet Group Management Protocol (IGMP) and Multicast. The AC7853 comes with mounting brackets and a IR receiver.
