

ACT Monitor arm 35", gas spring, 2 monitors, Essentials

Model: AC8314

Manufacturer: ACT

EAN: 8716065590975

Product Code: 1676605

R1,506

The full metal AC8314 monitor arm holds two 35" monitors up to 9kg each. Set the best height and viewing distance with the gas spring and 3 pivot points. Adjust the monitors with the flexible screen adjustments: tilt, rotate and swivel. Both a clamp and grommet mount are included for desk mounting.

Solid metal dual monitor arm

The AC8314 is a solid metal monitor arm suitable for two monitors up to 35" and 9kg* with VESA 75x75 and 100x100. Adjust the height of the monitors easily with the gas spring. Tilt, swivel and rotate the screens to create the ideal ergonomic workspace and reduce the risk of neck, back and shoulder strain. The monitor arm is also suitable for a curved monitor up to 9kg and VESA 75x75 and 100x100.

Ideal for flexible workspaces

If you work in an office with flexible workspaces, you can use the AC8314 monitor arm with gas spring. Easily adjust the height and depth without tools. All mounting gear for both clamp and grommet mounting is included. Besides, the AC8314 includes a cable management system.

ACT Essentials

The ACT Essentials series offer no-nonsense computer accessories for everyday use: functional, reliable and affordable.

*Please note: The monitor size is an indication and depends on the maximum weight capacity and VESA compatibility. The maximum size of 35 inches applies to horizontal use. For vertical use, the maximum size may be smaller.
