your screen to create an ideal ergonomic work space and reduce the risk of neck, back and shoulder complaints. Cables are kept out of sight with the cable management system.

Space-saving crossbar design

The AC8322 enables you to mount two monitors side-by-side. You will create extra work space on your desk as the distance from the monitor to the wall is only 14cm.

Convenient monitor mounting system

The easy mounting system makes it possible to attach the monitors to the desk mount all by yourself. The mount has VESA 75x75 and 100x100. The AC8322 comes with all mounting gear for both the clamp and grommet mount. The desk mount is suitable for tables with a maximum thickness of 88mm.
