### **IDEAL FOR ROUGH GRIT SANDING (P50 AND ROUGHER)**

X-LOCK Backing Pad Hard is ideal for rough grit sanding (P50 and rougher)

- Angled surface provides an ergonomic grinding position for convenient work
- Resists highest temperatures and breakage due to fibreglass reinforced thermostable plastic material
- Changing backing pads is fast and convenient thanks to the keyless X-LOCK system

It is suitable for use with X-LOCK angle grinders.
