The Delta S Core features exclusive 50 mm ASUS Essence drivers in airtight chambers to provide high-resolution audio. The drivers feature a wide frequency response of 20 Hz–40 kHz to provide crystal-clear highs, incredibly strong bass, and are tilted by 12° in each ear cup to channel audio directly into the ear canal.

Certifiably Clear Communication

With a detachable unidirectional boom microphone that’s certified by TeamSpeak and Discord, the Delta S Core ensures clear in-game voice communication.

Multi-Platform Compatibility

The Delta S Core features a 3.5 mm connector, which enables the headset to be used on almost any gaming platform, including PCs, Macs, PlayStation® 4 and 5, Nintendo Switch™, Xbox One™ and Series X | S, and mobile devices.

Crafted for Comfort

The foldable Delta S Core tips the scales at a lightweight 270 grams. It includes D-shaped ear cups that closely match the shape of your ears to reduce unnecessary contact areas by up to 20% for a more comfortable fit.

Intuitive Control

A volume wheel and microphone toggle on the ear cup allow for easy volume adjustment or muting on the fly.
