Product Highlights

Tough and powerful – the cordless GSB 18V-55 Professional drill driver with brushless motor is the ideal starter tool in Bosch´s 18 V category. With a high performance of 55 Nm and 1,750 RPM, it easily maximises efficiency on the jobsite, especially for work in wood, metal, and masonry. Its robust 13-mm Roehm metal chuck delivers an ideal power transfer for the widest range of drilling, impact drilling, and screwdriving applications. The drill driver´s brushless motor ensures an extensive tool lifetime and longer battery runtimes. It is suitable for drilling and impact drilling in wood (up to 35 mm), steel (up to 13 mm), and masonry (up to 10 mm) as well as for screw diameters of up to 10 mm. It is compatible with all Bosch Professional 18 V batteries, including ProCORE18V batteries and chargers (Professional 18V System).
