Support up to Three Displays in 4K Resolution

With HDMI™, DP, and Type-C port, Cubi N allows you to extend to three monitors to preview your E-commerce content & data at home or in the office, enhancing your efficiency.

Limitless Wireless Connection

MSI Cloud Center + Wifi

Fast, secure, and wireless backup & download between your PC and mobile devices. Transfer files, photos, videos, and more between your PC, Android, and iOS devices faster and easier than a cabled connection. You can make these files accessible to your family or team members, or you can also make files as private as you want. The decision is in your hands.

HW TPM 2.0 Support

dTPM 2.0 (Trusted Platform Module) technology is designed to provide hardware-based, security-related functions.You can store your sensitive data & passwords by encryption keys for advanced security.

USB 3.2 Type-C Connect All You Need

Type C offers a universal solution for connecting devices with high-speed data transfer, display capabilities, and charging functionality. It's a game-changer for device compatibility and connectivity, enabling easy data transfer and device powering.
