Braun descaling technology delivers quick and easy cleaning in seconds. This technology protects your garment steamer from calc and can prolong your garment steamer's lifetime.

FastSteam Technology

Powerful steam for quick and easy de-wrinkling and maximization of water vaporization for a perfect finish.

The world's first Dual FreeGlide 3D Technology

The unique upward curving soleplate on both sides guarantees 360° glideability. Glide over any obstacle like buttons and pockets, without getting stuck.

Smart iCare Technology - for all kinds of ironable fabrics

Smart iCare Technology protects your clothes with a safe temperature. Faster, easier steaming.

Heated soleplate

Refresh your outfit in less than 1 minute*. The heated soleplate can be applied directly onto your clothes for even better steaming results and additional wrinkle smoothing. *Tested with cotton t-shirt size M

Horizontal and vertical steam

Get rid of wrinkles fast – horizontally or vertically. Simply hang your clothes on a hanger to steam them, or lay them on a bed or table.

Quick heat-up

Getting ready just got faster and easier – just plug in and the QuickStyle 7 is ready to power steam in only 35 seconds.

Compact and light

Ergonomically designed to be easy to use and lightweight, our handheld steamers are comfortable for steaming in any position. Thanks to the compact design also convenient to store.

No ironing board needed

Enjoy fast wrinkle removal without the hassle of setting up an ironing board first. Simply steam clothes that are vertically hanging or horizontally lying on a bed for the perfect look in no time.

Extra-long power cord

Equipped with an extra-long 3 m cable for better manoeuvrability. This makes it easy to steam hard to reach things like curtains, sofas and pet furniture with greater freedom of movement.

Continuous steam lock

For maximum convenience and ease of use, you'll love the clever steam lock. One click is all it takes to get steady, continuous steam without having to hold the trigger.
