The OBRIX02B 14" Laptop Sleeve is designed to provide reliable protection for your device while maintaining a sleek and lightweight profile. Tailored to fit laptops up to 14", it ensures a snug and secure fit, helping protect your device during daily commutes and travel.

Constructed with a durable multi-layer design using polyester and neoprene, the sleeve offers dependable protection against scratches, bumps, and everyday wear. Its slim design allows for effortless portability, making it easy to carry on its own or slip into a backpack, briefcase, or suitcase without adding bulk.

Made with recycled materials, the 14" Laptop Sleeve combines practical protection with a more sustainable approach, making it a smart choice for everyday use.
